

PRESCHOOL REGATHERING FAQS

Do I need to register my child in advance?

No! As of March 7, 2021, we no longer require families to register their kids in advance. Just show up and we'll get you all checked in!

Where will Preschool be meeting at BCA?

BCA Kids Preschool will be meeting in the Kids' Center on the first floor.

What age of kids will be meeting at BCA Kids Preschool?

BCA Kids Preschool is for kids ages 2 - 5 years old.

How will I enter and exit the Kids' Center?

Our Preschool Entrance will be through the Cafe doors from the front patio. You will walk through the Cafe to the Kids' Center First Floor, where you will be greeted by our Check-In team. After checking in, you will enter the Kids' classroom lobby through the left double doors and exit through the right double doors.

Will I need to check-in my child?

Yes! In order to keep BCA Kids Preschool a safe environment, a parent or guardian must be present at check-in. Your child will receive a numbered bracelet and you will receive a matching one. The bracelets will be matched at check-out. Parents must remain on campus after checking in their kids.

Can you remind me of BCA's Well Child Policy?

As always, we will be strictly following our well child policy: For the protection of all the children, we cannot admit a child who has been ill within the previous 24 hours with any of the following symptoms: fever, vomiting, discharge in or around eyes, green or yellow nasal mucous, excessive coughing, diarrhea, questionable rashes, head lice, or any communicable diseases. Colds, flu, and ear infections are assumed contagious as long as the child exhibits symptoms. If a child has a clear runny nose due to allergies, the child may be admitted to the classroom. If signs of illness become apparent after a child has been dropped off, a parent will be notified to come pick up their child.

Are masks required?

For kids under 5 yrs old, masks are recommended but not required. Everyone older than 5 yrs old who attends our services, including volunteers, are required to wear a face covering.

Will kids be social distancing?

Yes! In an effort to keep kids safe and healthy, we will continue to use our carpet squares. The kids are already familiar with using these, so it won't be a big change for them, but spacing them 6 feet apart will allow for each of them to have their own bubble and personal space. All of our games and activities are designed for kids to be spaced apart and have minimal contact of shared items. Items that are shared will be sanitized weekly.

Is BCA's Kids' Center safe and secure?

It is! All exterior doors will be locked from the outside, besides the entrance where our trained volunteers will be checking in kids. We have a security team who monitors our campus to keep us all safe.

Are volunteers background checked?

Yes! Only volunteers who have been background checked and interviewed are allowed beyond check-in to serve and work with kids.
