NOTES:

- If you are in the drama cast, you cannot miss more than one practice. Talk to Pastor Carrie if you have concerns.
- We may need additional practices as we get closer to the performance.
- We will need other times to create sets, costumes, and props. We will also need people to help create those things.
- EVERY person in the musical is REQUIRED to be at the dress rehearsal. Otherwise, you will not be able to perform on Sunday because you won't know what's going on.
- More details will come later (arrival times, specifics on what we'll be rehearsing, etc.)
- There may be things I have missed! Reach out to Pastor Carrie with questions:
